

## Midterm exam - Announcement

The midterm exam will take place at **April 07, 16:15h in room CM3**. Be there on time.

- Allowed utilities: Pen, something to eat/drink, pocket calculator
- Not allowed: Books, any sheets of own paper, notebooks, cellphones, ...
- For the exam you need a pen with a color  $\neq$  red. Don't use a pencil.
- We do not tolerate cheating. If we observe you, using any forbidden utilities or communicating with each other, you instantly fail the exam.
- Please leave your jackets and bags at the door or at the border of the room.
- Choose your seat s.t. there is at least one free seat between you and your neighbour.
- Please bring your Camipro card for identification purpose.
- The content of all lectures till March 31 (inclusive) is relevant. The exercises from exercise sheet 1 to 6 (again inclusive) are highly relevant.
- Duration of the exam will be 120 min.
- You can reach up to 60 points, corresponding to the 30% weight which the midterm contributes to the total amount of points. Thus another 140 points can be reached in the final exam. You need in total 120 points (= 60% of 200 points) to obtain a grade of 3.75.
- You can improve your final grade by accumulating bonus points as it is explained on the course webpage.
- You need a final grade of at least 3.75 to pass the course.

Good luck.
